

Conference on Differential Geometry – Tribute to Professor Kostake Teleman (1933-2007)

Bucharest University, May 15-17 , 2009

Organizers:

Knud Lonsted (Denmark), Andrei Moroianu (CNRS- Ecole Polytechnique), Gabriel-Teodor Pripoae (U. Bucharest), Olivian Simionescu-Panait (U. Bucharest), Constantin Udriste (U. Politehnica, Bucharest), Vladimir Balan (U. Politehnica, Bucharest), Paul Popescu (U. Craiova), Wladimir Boskoff (U. “Ovidius”, Constanta)

Scientific committee: Ion Chitescu, Stere Ianus, Ieronim Mihaila, Liviu Nicolescu, Vasile Preda, Victor Tigoiu (U. Bucharest), Robert Olah (U. “Babes-Bolyai”, Cluj-Napoca), Mircea Craioveanu (U. Timisoara), Andrei Teleman (U. Marseille)

Aim: This international conference is devoted to the memory of Kostake Teleman, an outstanding Romanian geometer, professor at the Bucharest University, till 2007. The topics of the conference will cover the domains of interest of Professor Teleman: Differential Geometry, Topology, Algebraic Topology, Mathematical Physics and Relativity, focusing on latter developments of his works.

Program (tentative):

On May 15, in the afternoon, the talks will address the personality of Kostake Teleman, as teacher and researcher, and will be oriented towards a general audience.

More specialized lectures and short communications will be given on May 16 (morning and afternoon sessions) and, eventually, on May 17 (morning session).

Location: The conference events will take place in the Bucharest University, Faculty of Mathematics and Computer Science building, located on Str. Academiei 14, Bucharest.

Registration: The registration is free. The deadline for registration is April 15, 2009. For further details, please contact Professor Gabriel-Teodor Pripoe at e-mail gpripoe@fmi.unibuc.ro or gpripoe@yahoo.com.

Accommodation: A limited number of rooms, at low rates, are available in the Bucharest University Hotel, at a walking distance from the conference location.

Sponsors: The Balkan Society of Mathematicians (the list is open).
